Steele Memorial Medical Center 4th Annual Turkey Trot

Steele Memorial Medical Center hosted the 4th Annual 5K or 1 Mile Turkey Trot on Thursday, November 24th, Thanksgiving Day. There were a total of 140 runners, walkers, and trotters ranging in age from 1 year to 80 years old. The weather was a perfect 30 degrees and sunny. Several participants dressed up in turkey costumes and other creative costumes. Prizes were awarded to the first place female 5K finisher Cherish Duncan, first place male 5k finisher Billy Godfrey, first place female 1 mile finisher Emily Taylor, first place male 1 mile finisher MJ Gebhardt, and participant with the best costume. Following the race, a random drawing took place for paid participants. Drawing prizes included pies, Rise N' Shine gift certificates, Turkey Trot embroidered hats, and Turkey Trot engraved travel mugs.

Several runners and walkers graciously donated at the event; the funds went to a local displaced family. A big thank you went out to Steele Memorial Medical Center staff and community participants for supporting the event.
