Steele Memorial Medical Center Congratulates Cammie Hugunin, RN on 40 of Services

**AFTER 40 YEARS OF SERVICES TO THE COMMUNITY AND ORGANIZATION,
CAMMIE HUGUNIN, RN ANNOUNCES HER RETIREMENT.**

Steele Memorial Medical Center honors Cammie Hugunin, RN on her retirement. Cammie began working for the organization May 23, 1977. Stephanie Orr, Chief Nursing Officer says, "I'm honored to have worked with Cammie and witnessed her compassionate care, caring for the grandchild all the way to the grandparent, an honor bestowed on those working in a small community for forty years. She has seen four decades of healthcare transformation and has been through numerous technological advances. Cammie is an example of dedication and commitment to both SMMC and the community she served. We will miss you and your fun-loving personality that brought humor to the job."

Members of the organization and community thanked Cammie for her service at a retirement celebration, Tuesday, February 21st, hosted by SMMC. Several of Cammie's friends shared heartfelt sentiments and memories of working with and receiving care from her.
