### **Becker's Hospital Review Names 70 critical access hospital CEOs to know in 2019**

Becker's Healthcare is pleased to recognize Jeanie Gentry, CEO of Steele Memorial Medical Center as one of the following 70 CEOs, presidents and administrators of critical access hospitals.

“Steele Memorial is proud to recognize Jeanie Gentry, CEO with this distinguished award. Jeanie continues to move Steele Memorial forward with innovative ideas, insuring Steele Memorial has state of the art equipment to meet the needs of the community. Congratulations Jeanie Gentry, says Denise Lile, SMMC Board Chair.”

The men and women included on this list lead organizations regularly recognized for patient safety and quality. Several have overseen hospital expansions, mergers and EHR implementations as well as the construction of satellite clinics and strategic partnerships with local healthcare organizations. These individuals hold an important role within their community, serving on corporate boards and state-level initiatives to improve access to care.

Becker's Healthcare compiled this list through nominations and editorial research. The leaders presented are in alphabetical order, and individuals do not pay and cannot pay for inclusion on this list.
